

ACACIA NURSERY HOME LEARNING

Summer Term – Week 2 – Expressive Arts and Design

Paint a flower or plant of choice

Focus: to talk about the current season and explain what plants need to grow.

What you'll need: paper, paint, pictures of flowers or real flowers, fork, paintbrush.

Extension: label your painting and write about the current season and what plants need to grow and why they are important for our environment.

Create a Repeating Pattern Caterpillar Painting using a Potato

Focus: to talk about shapes in the environment and attempt to create a repeating pattern caterpillar painting. Children to pick two or more colours and create repeating patterns.

What you'll need: paper, paint, caterpillar pictures, shape pictures, repeating pattern examples.

Create a Minibeast using Clay or Playdough

Focus: to talk about minibeasts and their features and develop muscles in hands.

What you'll need: clay or playdough, natural resources for features, google eyes.
