

# ACACIA NURSERY HOME LEARNING

## Summer Term – Week 2 – Expressive Arts and Design

### Create Artwork in the Style of Matisse

**Focus:** to understand what an artist does and to become familiar with artwork by Matisse.

**What you'll need:** paper, coloured paper to tear.

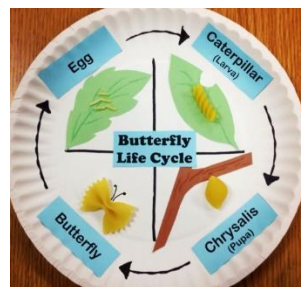

### Make a Minibeast

**Focus:** to talk about different minibeast and their features and think about different techniques to join materials together.

**What you'll need:** paper, paint, toilet rolls, glitter, googly eyes.

### Create the Butterfly Life Cycle

**Focus:** to talk about the butterfly life cycle and explain what happens. Create your own butterfly life cycle using different types/shapes of pasta, e.g. twists for the chrysalis, bows for the butterflies, macaroni for the caterpillars and little shells for the eggs. Remember to share your creative work with us by sending us a picture.

**What you'll need:** paper plate, pasta, keywords, pictures of life cycle, coloured paper.
