

ACACIA NURSERY HOME LEARNING

Summer Term – Week 2 – Understanding the World

Go on a Minibeast Hunt

Go on a minibeast hunt either in your garden or on your daily walk. What minibeasts can you see? Can you describe how they are moving? What features do you notice? Can you take a photo of the minibeasts you find?

<https://www.youtube.com/watch?v=a8xgh2H5dGw>

Find out where Seeds come from

Can you find out where seeds come from? Can you find seeds in fruit and vegetables? How many seeds can you see? Can you count them? What would happen if you planted the seed?

Make a Vegetable Omelette

Can you use a knife safely to chop the vegetables? What ingredients are you using? Where do the ingredients come from? Where do eggs come from? What do we need to eat lots of to stay healthy? Why is protein important for our health? What makes vegetables healthy?

<https://food.onehowto.com/recipe/how-to-make-a-vegetable-omelette-easy-recipe-587.html>

Plant some Flowers to attract Minibeasts

What do plants need to grow? Why do we need plants? How do minibeasts help plants to grow? Where does honey come from? How do plants help us and the environment?
