

## Pupil Premium Expenditure Evaluation 2017.18

The Governors and Senior Leadership Team at the school believe that every child is an important member of our community and should be encouraged and challenged to achieve their full potential. The school budget is set by governors entirely on this basis – the key investment priority is always on initiatives that support all of our children to progress as governors, staff and parents would wish. The Pupil Premium Grant is just one part of the overall funding we invest to achieve this.
