

Dear Parents and Carers,

As we draw to the end of another fun filled year at Acacia Nursery school I would like to wish all of those children leaving the nursery to attend their very first year at compulsory school the very best of luck and thank you for the time you have spent at our nursery. I hope you have enjoyed your time at Acacia nursery and have many memorable experiences to share with your new friends and teachers. Without children our setting would not exist and we value the contributions made by all.

Also a thank you must go out to those parents and carers of our reception leavers. You tirelessly ensured your children have attended nursery regularly and have provided us with the chance to support your children in the first steps of their learning and development. We wish you all well in the future.

For those children returning in September we look forward to seeing you all again and wish you a restful summer break.

Please ensure you take all of your belongings with you as you leave for the summer holiday as all items that remain in the nursery will be washed and provided to charity.

Have a wonderful holiday and keep safe!

Kind regards,
David Livie (Head of School)
